

Rights to Land and Resources in the Enguserosambu Community Forest, Tanzania

Presented by:

Bruce Downie, Kesho Trust, Tanzania

Samwel Nangiria, Enguserosambu Forest Trust, Tanzania

Project Location

Enguserosambu Ward

- 4 villages – Enguserosambu, Nann, Ng’arwa, Orkiu-Juu
- a decade of negotiation
- central government gave land management authority [title] to the local communities [2012]
- a management mechanism was established – the Enguserosambu Forest Trust
- the EFT trying to build their capacity to mount comprehensive planning and implementation for building the benefits from their lands
- management and benefits are based on cultural traditions and focused on preserving the Maasai culture
